BALLYBEG WEDDING PACKAGES

Note:

The only variable in the packages listed above is with respect to the overall catering cost, which of course will relate to the number of guests attending and cost per person.

For example, if the cost of your particular menu is €50 euro per head and there are 120 guests attending, the overall catering cost is €6,000. With an allowance in the package of €4,000, the remaining balance would be an additional charge of €2,000.

Equally, if the overall cost is less than €4,000 the remaining balance will be taken off the cost of the package.
